Defendant.

Case 01-06-008
(Filed June 4, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING
GRANTING 60-DAY EXTENSION OF SCHEDULE**

Complainants request an extension of time in which to file their written testimony, based apparently on difficulty they have had in retaining suitable counsel. Complainants also have submitted a motion to compel discovery, although the motion apparently has not been filed with the Process Office in compliance with Rule 45 and Rule 2.5 of the Rules of Practice and Procedure.

Defendant by letter does not object to an extension of time. Defendant states that information sought by complainant is available through the administrative hearing record and Superior Court record that earlier examined matters in this proceeding.

This ruling grants the request for a 60-day extension. This ruling does not at this time address the motion to compel discovery. Complainants are cautioned that failure to conform to the amended schedule may result in a dismissal for failure to prosecute the complaint.

The revised schedule for this proceeding is as follows:

Date	Event
May 14, 2002	Complainants' Opening Testimony Served.
June 17, 2002	Defendant's Responsive Testimony Served.
July 8, 2002	Complainants' Rebuttal Testimony Served (Optional).
July 18, 2002	Evidentiary Hearing.

IT IS RULED that the request for a 60-day extension in the schedule for this proceeding is granted.

Dated March 15, 2002, at San Francisco, California.
